Executive Summary of BS Microbiology

The Institute of Microbiology is offering three programs:

1. BS Microbiology
2. M.Phil Microbiology
3. Ph.D Microbiology

The Assessment team comprising of one external member, **Dr. Ghulam Hussain**, Department of Physiology, one internal member **Dr. Muhammad Zeeshan Nawaz** Department of Microbiology & Four nominees from Quality Enhancement Cell, **Prof. Dr. Asim Mansha**, **Dr. Saeed**, **Ms. Tahira Rasheed**, and **Ms. Arzue Liaqat** visited Institute of Microbiology on **24/04/2025**

The Assessment team thoroughly reviewed the Program Mission, Objectives, Out Comes, Curriculum Design, Laboratories, Computing Facilities, Student Support and Advising, Process Control, Faculty, Institutional Facilities and Support.

In the Institute of Microbiology there were **Medical Microbiology Lab**, **Environmental & Industrial Microbiology Lab**, **Molecular Biology Lab**, **Cell Culture Lab**, **Antimicrobial resistance Lab** and **Epidemiology Lab**. Labs are equipped with major apparatus like **Bio-Safety cabinet**, **Vertical & Horizontal Laminar air flow**, **Thermal Cycler**, **UV/UF water Purification System**, **Refrigerated Centrifuge Machine**, **UV-Visible Spectrophotometers**, **ELISA Reader**, **Plate readers** and **Incubators**.

The issues highlighted were related to faculty, laboratories, students, research work, and faculty development programs, learning environment and infra-structure were thoroughly reviewed and discussed.

After thorough discussion it was revealed that the department has **18** number of faculty members among which **01** faculty member is **Post-doctorate**, **14** Faculty Members are **Ph.D** and **03** Faculty members are **M.phil**. **93 Research Papers** have been published in HEC recognized journals by the faculty members in **2024-2025**. **18 Book Chapters** have been written by Faculty Members in **2024-25**. **One book** has been edited by the Faculty members. The strength of the faculty members is adequate (according to the departmental needs).
